

Welcome to Browne

For more than 70 years, Browne has designed and distributed kitchenware products for professional and home use. As one of the founders in the kitchenware industry in Canada, Browne has built a reputation as a trustworthy and value-added distributor in the consumer and foodservice industries.

Our product selection has changed throughout the years, but one thing that has always stayed true is our commitment to innovation in design, quality and value.

Our People

At the heart of our success are the people who work for Browne. We are a diverse group with a wide range of skills and knowledge, all connected by the same purpose: to make innovative, high quality products that enhance the users' experience.

We believe in the power of food to connect people. Through cooking, entertaining and sharing, we bring brands to market that elevate these connections and improve the quality of life for everyone.

In both our foodservice and retail divisions, our team of global experts are driven to find solutions for our partners, clients, suppliers and employees. We understand that our success is rooted in everyone's success.

Our Promise

Our brands will bring joy and ease of use to the cooking experience.

- We are dedicated to excellence in all that we create
- We produce products of the highest quality that are built to serve
- We foster innovation in design that elevates users' experience
- We customize design, sourcing and manufacturing to create value and exceed clients' expectations

Our Brands

FOODSERVICE

An industry leader since 1949, the Browne smallware and glassware collection is engineered to respond to the demanding needs of commercial kitchens. This collection includes our proprietary and partner brands.

RETAIL

Proud to design, manufacture, distribute and partner with these premium brands, known for their exceptional quality, reliability and innovation.

iAssist® is a sophisticated service robot that provides a variety of technology advancements in an ever-changing world of service.

iHost®, the greeting robot. With powerful voice function and large HD screen offers a fun, interactive experience.

CREATING CONNECTIONS THROUGH COOKING, ENTERTAINING AND SHARING

COOKWARE, TABLE TOP, BUFFET, UTENSILS, GADGETS, BAKEWARE, CLEANUP, SERVICE ROBOT

Our story

With 70 over years of excellence in the foodservice industry, we are proud to be the choice of chefs and foodservice professionals. As part of our commitment to customer service we are driven to maintain a 95%+ consistent fill rate, ensuring you get what you need, when you need it. Browne's dedicated team of foodservice professionals from customer service, account management design and marketing are always available to support your sales team and training needs. Your partner in success since 1949, here are a few snapshots from our foodservice history!

1949

O. Browne & Company & O. Browne Distributing Company registered. Acting as a general trading company, the company was successful in distributing a wide range of products including tires, camping & kitchenware.

1988

2nd generation cousins took over the family business, renaming it Browne & Co., with two divisions that focused on creating & sourcing quality products for the foodservice & consumer markets.

1995

Thermalloy® Professional Cookware became the choice of professional chefs for its durability, performance & value.

1998

Cuisipro launched with the mission of designing innovative, quality products that bring joy, pleasure and inspiration to the consumer market.

2004

Harold Leonard Company (HALCO) acquired and renamed Browne-Halco, beginning further expansion into the US market.

2005

Berard, fine quality wood products made in France since 1892, added to the Browne & Co. family. Browne Europe established.

2006

Revolutionary brand Duncan Kitchen Grips added to company's portfolio and distribution expanded in both foodservice & retail markets.

2013

IHA Innovation Award
ESI President Club

2012

reddot design award
honourable mention 2012

2015

Dennis Poon, seasoned kitchenware industry professional, takes the helm of Browne & Co. With the added-value of vertical integration & supply chain optimization, Browne offers a unique competitive advantage & enhanced global strategic vision.

2022

Browne launched newest products iAssist and iHost, service robots.

Looking ahead

We will continue our mission to provide the very best in design, functionality, quality & value.

2017

Cuisipro flagship online store was launched with Tmall a leading cross-border e-commerce platform.

2019

Celebrated our 70 years anniversary.

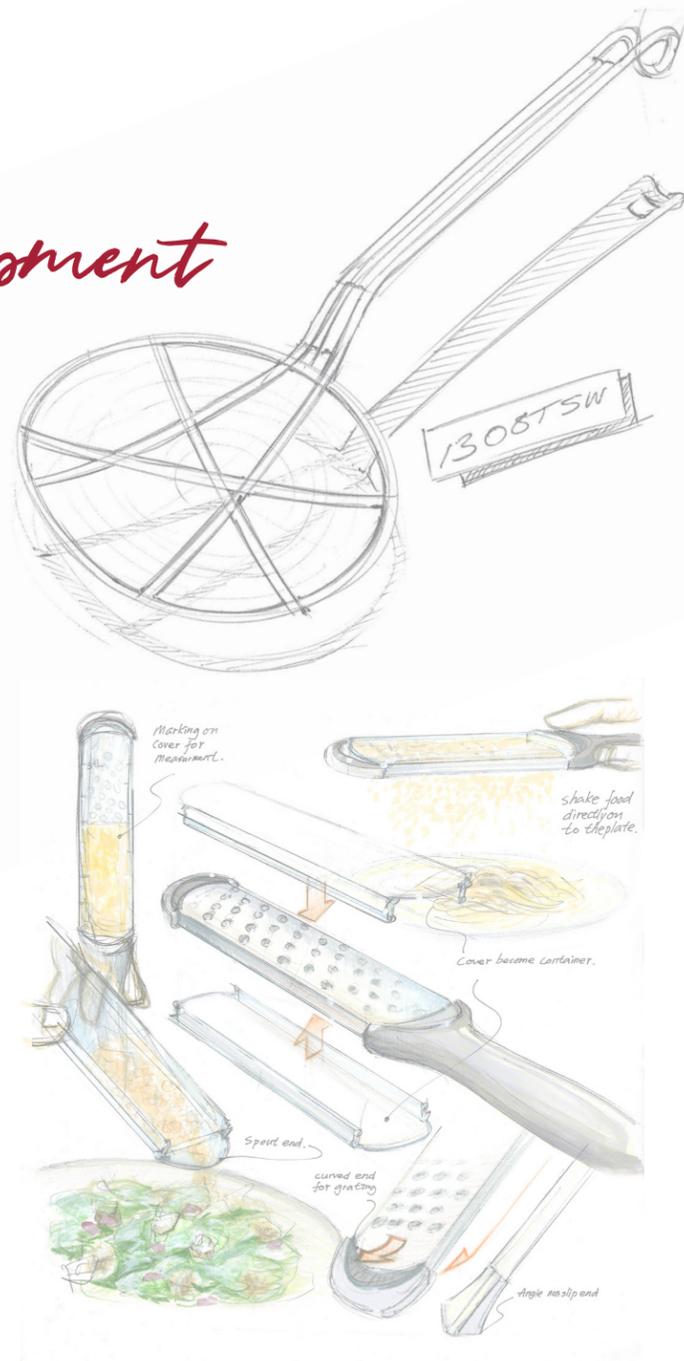

Our Product Development

Our team of in-house product designers, marketing professionals, customer service and sales specialists bring inspiration to life.

Our constant research and prototyping leads us to new ideas and techniques. Every season we introduce new designs and line extensions, thus enriching our brand collections and portfolio.

Our consistency and relentless pursuit of innovation and creativity make Browne a leader in the kitchenware industry.

Taking advantage of our vast network of international manufacturers we find the best partners to meet all quality, budget and time-line requirements for your project. We manage every detail of production and shipping, providing the perfect solution for your kitchenware needs.
